The Friends of the Monona Public Library is a community support group organized in 1981 to improve library services and facilities through activities that are beyond the scope of the regular staff and budget. We believe that the public library plays a crucial role in our society. By joining the Friends you will join other concerned citizens dedicated to promoting the value of books, literacy and the library in our local community. We raise funds through membership dues, the Friends used book shop, an annual fall book sale and tax-deductible gifts that are donated to the Friends.

Members are encouraged to serve on the board or volunteer to work at any of our fundraising activities. Please join us at our annual book sale or purchase books at any time from the Friends Book Shop. Even if you choose not to volunteer, you will have the satisfaction of knowing that you have joined others in showing strong support for the Monona Public Library.

Friends of the Monona Public Library

The Friends of the Monona Public Library strive to promote knowledge of and interest in our library, as well as to enhance its value to the community. The Friends raise funds to purchase materials or equipment, and to assist in providing programs that promote literacy and the love of books. In the past, the Friends raised thousands of dollars in support of the 2002 library expansion, contributed to the Booked For Life Campaign in 2009, and continue to provide funds for ongoing library improvements.

The Friends is a non-profit corporation. All contributions are tax deductible as allowed by law.
